

19INCH RACK FIXED

TERMINAL BOX

SPDF-I12FCT-RMA

SPDF-I24SCT-RMA

SPDF-I48FCT-RMA

General Description

19 Inch Rack Fixed Terminal Box is a passive device which terminates and distributes trunk optical fiber cables in fiber optical communication system, to having a implement of connecting distributing adjusting optical fiber circuit conveniently.

Features

- Standard 19 inch structure, could be installed on various of standard racks.
- Stationary type as a easy operation design.
- Frame plate is suitable for installing sorts of adaptors such FC、SC、ST、2LC、2SC etc.
- Simple but elegant frame which is with average color painting and has enough tolerance for compact resistance.

- The series of products by the ministry of information industry standard YD/T 2150-2010, design and manufacture of YD/T1117-2001.

Technical Data

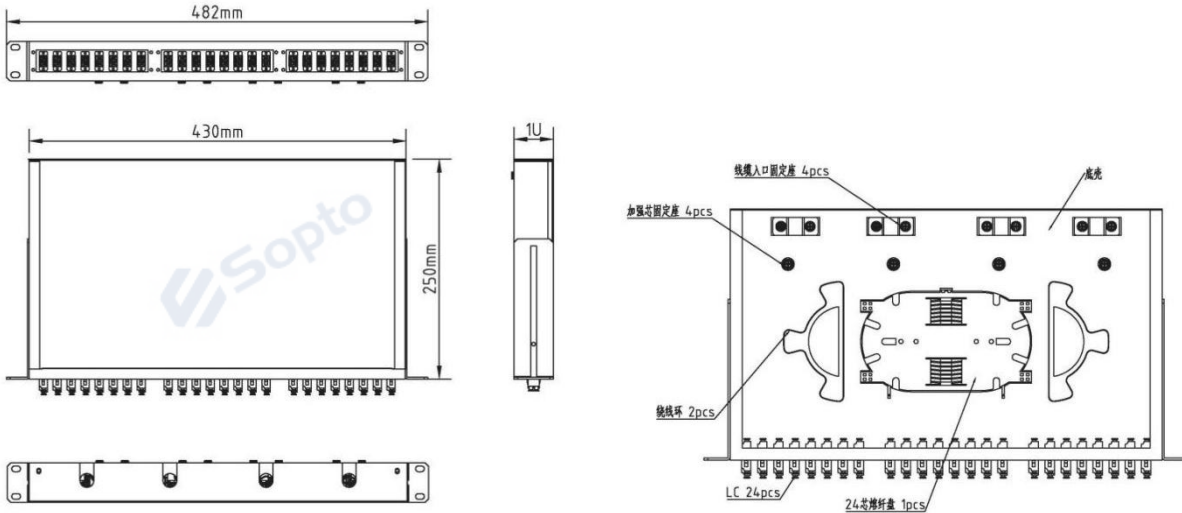

Item	Details
Product Name	19 Inch Rack Fixed Terminal Box
Mounting	19inch standard rack-mounted
Color of Frame	Black
Material of Frame	1.2mm superior cold-rolled sheet cold-rolled primes, surface painting by Electro-static coating
Output Adaptor	FC、SC、ST、2LC、2SC etc.
Capacity	Up to 96 cores

Model for details

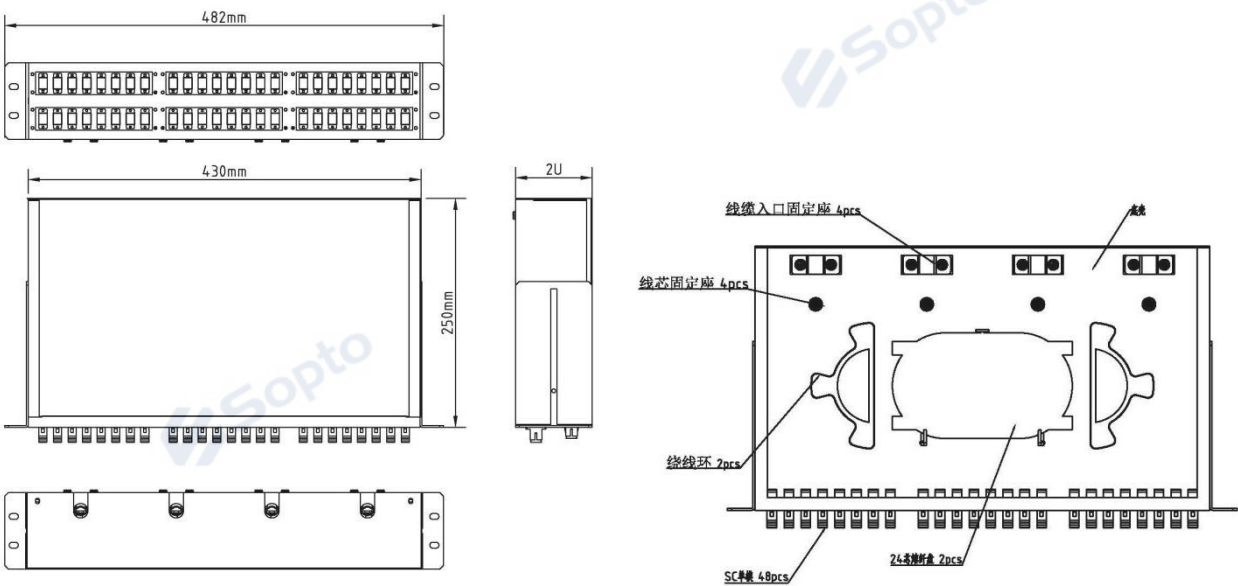

MODEL	Size	The net weight	Describe
SPDF-I12FCT-RMA	430*250*1U	2.6KG	Terminal Box Indoor 19inch rack fixed 12 ports FC/ST type without adaptors , pigtails and splitter Metal type A
SPDF-I12SCT-RMA	430*250*1U	2.6KG	Terminal Box Indoor 19inch rack fixed 12 ports Simplex SC/Duplex LC type without adaptors , pigtails and splitter Metal type A
SPDF-I24FCT-RMA	430*250*1U	2.6KG	Terminal Box Indoor 19inch rack fixed 24 ports FC/ST type without adaptors , pigtails and splitter Metal type A
SPDF-I24SCT-RMA	430*250*1U	2.6KG	Terminal Box Indoor 19inch rack fixed 24 ports Simplex SC/Duplex LC type without adaptors , pigtails and splitter Metal type A
SPDF-I36FCT-RMA	430*250*2U	3.8KG	Terminal Box Indoor 19inch rack fixed 36 ports FC/ST type without adaptors , pigtails and splitter Metal type A
SPDF-I36SCT-RMA	430*250*2U	3.8KG	Terminal Box Indoor 19inch rack fixed 36 ports Simplex SC/Duplex LC type without adaptors , pigtails and splitter Metal type A
SPDF-I48FCT-RMA	430*250*2U	3.8KG	Terminal Box Indoor 19inch rack fixed 48 ports FC/ST type without adaptors , pigtails and splitter Metal type A
SPDF-I48SCT-RMA	430*250*2U	3.8KG	Terminal Box Indoor 19inch rack fixed 48 ports Simplex SC/Duplex LC type without adaptors , pigtails and splitter Metal type A
